Participation

We hope that each unit have some participation in every event. The bigger percentage of unit involvement in each event the better.

Volunteer Needs & Expectations

- We will be asking all attending adults to volunteer in some way at an event to ensure that things run smoothly and safety is kept in check. Please let me know if there is an event you are specifically skilled in or desire to help in.
- Also if you have supplies that you are willing to contribute. We are looking for bridge lumber or pioneer poles and first aid supplies such as triangle bandages and wraps. Parachord would be helpful.
- Please consider bringing an item to contribute to the Friday night cracker barrel. We are planning on sandwiches, and snacks. Please consider not overloading them with sugar before bed.
- We hope that all unit leaders are moving around to events and participating with their units. Encourage that scout spirit!
