Echota General Camporee Rules

1. A list of youth and the number of adults attending must be provided and fees paid.
2. All units must have at least 2 adult leaders present at all times at the Camporee site. Each patrol must be supervised while at the ranges. All travel and Camporee activities are to be conducted according to the Guide to Safe Scouting.
3. All Troops must register as they arrive, check in with rosters, and pay any additional camp fees and meal fees upon arrival. The OA needs to know which meal each person wants.
4. The unit leaders are responsible for the conduct of their Scouts at all times.
5. Each Troop must carry all garbage away upon leaving the Camporee.
6. Troops are responsible for the condition of the grounds that we use. Please contain your fires above ground in fire pits or burn barrels.

Morning Events

Patrol Flag Judging

This event is scored and does count towards your overall total. Your usual patrol flag is okay to use, but a themed embellishment is recommended. Extra points will be awarded. We will have a place to display the flags all day. Bring a stand.

.22 Rifle Shoot

The rifle competition will be divided into three separate positions. Scouts will shoot at a spinner target 50 feet away. They get ten rounds for each of the three categories: standing shoot, kneeling shoot, and prone shoot. We will try to work in some free shoot.

This is a scored event and will count towards your troop's overall total.

Scoring is as follows: the number of hits counted will be averaged by the number of patrol members and scored for each event position.

Range safety is extremely important. Failure to keep the rifle pointed down range at all times could result in disqualification from that particular stage and a zero being computed into your patrol's average.

Pistol Range (Venturers and Adults ONLY)

Shoot .22 pistols with rounds and pistol provided by the District. You can shoot larger caliber handguns, provided by the District, but you must bring your own ammo. This includes: .38, .357, 9mm, 40cal, 45acp, .380. The Venture Crews will be able to compete with 22 pistols for ribbons. We encourage venture crews that are combined with their troops to compete in both events. 22 ammo is provided for this event.

Hatchet Throw, Paintball Shoot, and NRA Inflatable Archery

These events will be running all day. They will count as Participation Points towards your overall total.

*The OA will be holding a Hatchet Throw competition during the day as well.

Afternoon Events

Shotgun Shoot

Each Scout gets 5 rounds to shoot at a skeet target. The top shooter from each patrol will get to shoot doubles. This will be a scored event.

Again, safety is extremely important. Failure to keep the gun pointed down range at all times could result in disqualification and a zero being computed into your patrol's average.

SM/Scout "Turkey" Shoot

A Scoutmaster/Adult and a Scout from each troop will shoot a shotgun at a target from 50 feet away. This is a bragging rights and a special award event.

Eagle Challenge

Joseph Hancock of Troop 213 will be hosting the Eagle Challenge.

Order of the Arrow

Lunch

The OA is also providing lunch at this event. It is at a cost of \$5 to everyone and you will be provided with a meal ticket for one of two menu options: pulled pork sandwich with chips and a drink, or, pulled pork nachos with chili and cheese and a drink. Candy bars, extra chips, and extra drinks may also be purchased at the event as well.

Hatchet Throw Competition

The OA will also be having a Hatchet Throw competition during the day. If you are in the OA, show the person running the event that you have a Lodge Flap on your uniform. 1st place scorer receives a \$25 Walmart gift card, 2nd and 3rd place receive \$15 and \$10 gift card.
