Prepared. For Life.™

Dear Parents:

We are proud to deliver an innovative Cub Scout and Webelos Summer Camp experience to focus on the fundamental skills that have made Scouting the successful program that it has been for 105 years. It is a high-quality program designed to help strengthen the year-round pack program. Scouts will spend their fun-filled days learning new skills, hiking around views of Watts Bar Lake, and discovering their place in the natural world.

Cub Scout and Webelos Summer Camps are a great opportunity in the development of our scouts, they will get the opportunity to test their Scouting skills. In Cub Scout Camp and Webelos I Camp, Scouts will work together on their STEM abilities and craftiness. Archery, BB and slingshot ranges will be available for these Scouts to challenge their shooting skills. They will get to explore a camp that will play a major role in their Scouting futures. Scouts will also learn about water safety and safe swimming practices and learn basic first aid skills. In the Webelos II/Arrow of Light Camp, Scouts will become familiar with the more independent and boy-led, adult-mentored world of Boy Scouts, gain outdoor and pioneering skills, sleep in a tent they have pitched themselves, be introduced to outdoor cooking skills, and test their mettle on the ropes course, rappelling wall, and rock climbing wall.

The outstanding Camp Buck Toms staff has built a solid reputation of providing an exciting experience that every Scout will remember, they will never forget the fun and experience they gained at Camp Buck Toms.

If you or your Scout have special needs (accessibility, equipment, food allergies/intolerances, severe allergies, etc.), please let us know before camp starts so we can make the appropriate accommodations at campsites, Dining Hall, and Health Lodge.

Please feel free to contact your camp directors with any questions.

On behalf of the Great Smoky Mountain Council and the 2018 Camp Buck Toms staff, we look forward to seeing you this summer!

Yours in Scouting,

MISSY CAMPBELL

CATHERINE REANO

ENTER ALL YE BRAVE SCOUTS

INTRODUCTION:

Enter All Ye Brave Scouts...

Enter into a land of medieval games, crafts, experiments, catapults, and of course BB Guns, Archery, and Slingshots. Can you tame the dragon...Storm the castle...Save the townsfolk...Defeat the Black Knight...Pull the sword from the stone... If any of this sounds exciting and interesting then join us for a weekend of fun at Camp Buck Toms for our Spring Family Camp 2018 – Cubs of the Roundtable!

Weekend 1 – April 20th-22nd, 2018

Weekend 2 – April 27th-29th

Both weekends promise to be packed with Fun, Fellowship, Family, & Adventure!

REGISTRATION

All persons (Scouts and adults) attending camp must pre-register. Registration closes on April 17th, 2018.

Walk-on registration is available for these camps, however, food will be ordered beforehand so meals may not be guaranteed for walk-on participants. Online registration allows either parents to register individual or multiple Scouts or leaders to register multiple Scouts, <https://www.easttncscouts.org>. The paper registration provided in Appendix D and may be mailed or turned in to the GSMC Scout Service Center (1333 Old Weisgarber Rd., Knoxville, TN 37909). If you mail it, please do so at least one week prior to the close of registration, then follow up with a phone call to the Scout Service Center (865-588-6514).

If your Scout, you (if attending), or an adult you are registering has special needs; check off the appropriate special needs boxes when registering, then print and fill out the special needs/medications form provided online and in Appendix D and present it at check-in. Please do not mail the special needs/medications forms (or BSA health forms) with your registration/ payment; they will be shredded. These are to be presented at check-in on the day camp starts. Additionally, please contact the Camp Director prior to camp, to ensure we can accommodate you.

REFUND POLICY

Refunds for medical reasons may be given (doctor's letter required). All refund requests must be made in writing to Jennifer.Williams@scouting.org at least 10 business days in advance of camp. NO refunds will be given after the event.

CHECK-IN AND DROP-OFF PROCEDURES

Scouts should arrive in their uniforms, if they don't have a uniform please wear a scout t-shirt.

Campers may arrive individually or in groups (Dens, Packs). All Scouts must have an adult with them at check-in, such as a parent or registered leader. Do not just drop off your Scout to check in by himself.

Check-in will be under the white canopy, tables will be set up with your campsite number.

1. Staff will check your registration and take your completed BSA medical forms and special needs/medications forms (if applicable) for all people attending (adults and Scouts). If a leader is bringing their Pack's medical forms, please ensure that the directors are aware of this before camp starts, so they can alert the check-in staff. Medication in Ziploc bags (labeled with name and dosing schedule) should also be turned in at this time as well. All campers will receive a wristband that shows they are supposed to be at camp.
2. Then you will proceed to the area marked with your campsite number in the parking lot in front of the First-Aid lodge. Your campsite guide will be waiting for you in that area. This is where you will bring all your belongings. Please make sure your items are labeled. Camp staff will load your belongings onto a trailer and unload it at your campsite.
3. Once you finish at the First Aid lodge, you will proceed to the Dining Hall to cover meal plans and procedures.
4. From the Dining Hall you will proceed to your Campsite to set-up and begin working on your gateway and dragons!
5. Dinner is on your own Friday evening.

8:30 AM	8:40 AM	Chapel			
9:30 PM	10:00 AM	Departure by 10:00 am			

CHECK-OUT AND PICKUP PROCEDURES

The procedure for campers (Scouts and Adults) for check-out consists of the following steps:

1. Campsite – Return to campsite after chapel. Pack up your gear and clean the campsite one last time. Once they have finished, the campsite guide will radio a director to come and check the campsite.
2. Trash – Bag up all trash and place it at the end of the campsite road next to the main camp road.
3. Gear – You have two options: 1) walk your gear to the parking lot or 2) wait for camp staff to provide gear transport.
4. Under Canopy-Before leaving camp, stop by and pick-up medical forms, patches, turn in evaluation forms, and sign-out from camp.

GENERAL INFORMATION

CAMP BUCK TOMS

Camp Buck Toms is located on the shores of Watts Bar Lake, south of the city of Rockwood. It is owned and operated by the Great Smoky Mountain Council. The camp has a full service Dining Hall (including coffee in the mornings for adults), completely remodeled Training/STEM Lodge, Health Lodge, offices, and a total of 18 campsites all containing Adirondack shelters (3-sided bunk shelters) and modern bath-houses. A map to Camp Buck Toms can be found in Appendix D, along with a map of the camp.

ACCESSIBILITY AND SPECIAL NEEDS

We will gladly offer assistance and make reasonable accommodations for your special needs, but first we have to know what is needed. Contact the Camp Director right away, to ensure we can accommodate you. Check off the appropriate special needs boxes when registering, then fill out the special needs/medications form provided online and in Appendix E and present it at check-in. Please be aware that although we will make reasonable accommodations where possible to meet special needs, staff and volunteers may not be experts in special needs; thus, we cannot guarantee that we will be able to accommodate all needs. The Great Smoky Mountain Council reserves the right to deny admission to camp or dismiss from camp anyone whose medical condition, mental condition, behavior, personal conduct, or influence on other camp participants is deemed detrimental to the camp community.

MOBILITY NEEDS

Camp Buck Toms has no way to move the physically disabled around camp on a routine basis. Arrangements should be made to bring a rough-terrain wheelchair or disability-specific Electric Powered Assisted Mobility Device (EPAMD) to camp if you or your Scout needs it. Even with such a device some areas may still be inaccessible. Please note that charging of such devices may not be convenient to your sleeping area.

Paved (concrete or asphalt) walkways are present in a limited number of places at Camp Buck Toms:

- Road from the Parade Field area to the lakefront (becomes gravel past the lakefront);
- Sidewalk from the parking lot to the Camp Office; and
- Sidewalks in the vicinity of the Parade Field, Dining Hall, Health Lodge, and Training/STEM Lodge.

DIETARY NEEDS

If you or your Scout has special dietary needs (food allergies or food intolerances), contact the Camp Director as soon as possible before arriving at camp. We will make reasonable efforts to accommodate your needs. Additionally, fill out the applicable sections of the special needs/medications form provided

OTHER NEEDS

If you or your Scout has any other special needs (excluding medication), contact the Camp Director as soon as possible prior to camp. Additionally, fill out the applicable sections of the special needs/medications form provided and bring it with you to camp.

MEDICATION POLICY

All prescription medications (for adults and Scouts) should be kept in their original container(s) and placed in a heavy duty Ziploc bag, one per individual, along with any dosing cups (for liquid). The bag should be clearly labeled with the person's name and dosing information/schedule. Medications should be turned in at check-in to our medical personnel. They will be stored and administered at the Health Lodge daily, except for Webelos II campers they will be with your medical officer at campsite 17 & 18. Personal inhalers and epipens are acceptable to be carried by campers on camp property; however, their presence must be made known to the health lodge staff and Campsite Guide to ensure your child's safety.

All medication (prescription and over-the-counter) that campers should take on a regular basis (or for emergencies, like nitroglycerin) must be documented on the special needs/medications form provided and in the camp-specific appendices. To ensure all campers receive their medications at the right time and so that the Health Officer is aware of any emergency medications for some people, copies of the form will be given to the Campsite Guide and the Health Officer.

TRADING POST

Camp Buck Toms operates a modern Trading Post. Various snacks and drinks, postcards, camp clothing, batteries, and patches are available. Most Scouts will spend on average \$10 to \$20 at the Trading Post. Money should be sent with your Scout in a sealed Ziploc bag with the Scout's name and amount clearly written on it in permanent marker.

CAMP POLICIES AND PROCEDURES

CPAP MACHINES

CPAP machines should be able to operate on a rechargeable energy source (e.g., battery pack). You must bring your own energy source or contact the Camp Director prior to the pre-camp meeting.

ELECTRICAL USE

No electrical cords are allowed to be run from building to building. Cases where electricity is needed for health reasons must be cleared with the Camp Director before the pre-camp meeting.

VEHICLES

Parking is provided at the camp entrance near the Administration Building. No personal vehicles are allowed past the parking lot. Please observe our speed limit of 10 miles per hour when driving into camp. Vehicles are not allowed at campsites, although unit trailers may be present (with tow vehicle). If your Pack plans to bring a trailer, please notify the Camp Director prior to the pre-camp meeting.

VISITORS

Anyone entering camp property must register at the Camp Office immediately upon arrival, unless they have already checked into camp. All visitors will be asked to show identification, particularly those wishing to pick up Scouts. Unauthorized visitors are not allowed to come onto the camp property. Camp Buck Toms is private property, and the staff is required to control access to the camp for protection of Scouts. Visitors will receive an identification badge or wristband at the Camp Office. Persons in camp without a badge or wristband will be stopped and asked to return to the Camp Office.

CELL SERVICE

Cell reception for many cell providers is spotty at Camp Buck Toms. If you need to get a hold of the directors you can either text them or call the Camp Buck Toms office.

PLEASE NOTE: Camp Buck Toms is NOT responsible for lost or stolen property. This includes wallets, money, etc. Please make sure your Scouts only carry what they need.

CAMPSITE INFORMATION

Camp Buck Toms has a total of 16 campsites, with Campsite 3 offering disabled accessibility. Photos of the campsites can be found at <http://www.campbucktoms.com/campsites.html>. Each campsite has a fire pit, flagpole, message board, covered pavilion with picnic tables and lights, two 4-person Adirondacks (3-sided bunk shelters), and two or more 8-person Adirondacks.

In keeping with BSA youth protection policies, courteous use, and best camping practices, **the following rules are mandatory** for using the Adirondacks:

1. No one is permitted to sleep in an Adirondack with a person of the opposite sex or an adult other than his or her own spouse, parent, or guardian. Adult males, adult females, youth males, and youth females must bunk in separate Adirondacks. At Cub Scout Camp and Webelos I Camp if an attending parent wishes to camp with their Scout, please bring a tent.
2. A tarp may be used for the front entrance to keep out the weather (there is a metal rod for this). Tarps are not provided by camp and must be brought by Packs or Scouts/adults. An 8 foot by 10 foot tarp works well.
3. No hammocks or tents are allowed inside or attached to the Adirondacks.
4. No hanging from the bars or rafters inside the Adirondacks.
5. No eating or drinking of sugary drinks in Adirondacks, as food debris attracts insects and small furry creatures (e.g., raccoons, mice).
6. No loose food items in the Adirondacks. Store food in hard-sided containers, preferably ones that latch.

BATH-HOUSE RULES

Modern bath-houses are available, and are shared between two campsites. With the exception of Campsites 3,14,15, and 16. It has two sides each consisting of two toilet stalls and one shower. There is a two-sided sink in the middle. There is a water spigot located outside of the bathhouse with potable water.

In keeping with BSA youth protection policies, **the following rules are mandatory** for using the bath-houses:

1. Only one of the following groups may occupy a single side of the bathhouse at a time: adult males, adult females, youth males, and youth females.
2. There may be signs provided at your campsite/bath-house to designate what group is occupying a side of the bath-house (male/female, youth/adult). Please use these consistently.
3. Call out prior to entering a side of the bath-house to see who is in there, in case the sign was not used properly. For example adults call out, "Are there any scouts in here?" and scouts call out, "Are there any adults in here?"
4. If children need adult assistance for the bathroom (or shower), only a parent or legal guardian may be present with that child in the bath-house. Please use the side for the gender of the parent/guardian.
5. In case of accident or medical emergency, a non-parent/guardian may enter the side of the bath-house of youth, regardless of gender. Two-deep leadership is strongly recommended in this case.

CAMP RULES

CAMP BUCK TOMS IS NOT RESPONSIBLE FOR LOST OR STOLEN ITEMS.

BUDDY SYSTEM

All youth must have a buddy and travel across camp paired with their buddy. Youth should not move about the camp alone at any time. The safety of our children is paramount. As part of camp orientation, the buddy system will be reviewed with the campers.

- Buddies must stay together at each activity, at meals, and even at the restrooms.
- Two buddies must accompany a camper sent from a program area to the campsite or Health Lodge

Additionally, BSA Youth Protection policies are to be followed at all times: two-deep leadership (two registered leaders, or one registered leader and one adult) and no one-on-one contact with youth not your own children at all times.

FOOD IN CAMP

All meals are provided by camp. However, some adults and scouts may wish to bring snacks/drinks or purchase them from the Trading Post. Store all food and sugary drinks in hard-sided containers, preferably ones that latch. Avoid leaving food debris around, as they attract insects and opportunistic furry creatures.

SHOOTING SPORTS

All youth and adults are to follow the instructions of the Range Officers at all times. No exceptions. Failure to do so will result in removal from the activity. Please do not bring your personal shooting sports items, the camp will provide them.

DINING HALL

Meals will be served in the Dining Hall. Please keep the following in mind:

- The entire campsite sits together:
- Be courteous to your neighbors while in line or at table.
- Secooooooooooooooooonds! will be announced after everyone is fed; keep your tray for seconds.
- When you are done, take your trays, cups and eating utensils to the kitchen, then clean off the tables with the materials provided and sweep around your eating area. Remember, a Scout is helpful, and a Scout is clean.

CAMPFIRES

Fire rings are provided in each campsite. Please use them wisely and keep the following in mind:

- Collect only dead wood or bring only kiln-dried or local firewood. Do not use live trees or branches.
- Only wood to go in fire and stay in fire; no flames outside of fire ring.
- No running or horseplay inside fire ring, and no roasted marshmallow (or other food) slinging contests.
- Have a bucket of water nearby (having a shovel is a good idea too).
- Fires require adult supervision at all times. Fires must be fully extinguished if a responsible adult will not be there to watch it.

- If no appreciable rain has occurred in a month or more, a fire ban may be implemented.

PROHIBITED BEHAVIORS

No physical or verbal bullying. Throwing objects is prohibited except as part of planned activity.

PROHIBITED ITEMS

- No smoking in camp (this include electronic cigarettes). Smoking may be done in your car or parking area out of sight of the Scouts.
- No alcoholic beverages permitted on Camp Buck Toms property.
- Fixed blade/sheath knives are prohibited for everyone. Scouts are not allowed to bring or possess knives at camp.
- No firearms, BB guns, or archery equipment are allowed on camp property other than that provided by camp at the shooting ranges.
- no pets are allowed at camp

HYDRATION AND HEAT STRESS

In the heat of the summer, adequate hydration is necessary. Water coolers will be available at all campsites and at activity stations. Please send a water bottle with your camper, and ensure he knows to drink water throughout the day. Camp guides and other camp volunteers will try to ensure the campers stay hydrated as well. If a camper shows signs of dehydration, they will be taken to the Health Lodge for evaluation. Parents will be called only if dehydration is severe. Typically after rest and hydration, the camper will feel well enough to resume activities. Heat stress is also a risk in summer. Adequate hydration and recognizing the early symptoms is important. If a camper experiences dizziness, headache, fainting, or other signs of heat stress, he should tell the camp guide or other adult. The camper will then be taken to the Health Lodge for evaluation. If the heat stress is severe, the parents will be called. If the symptoms abate shortly after being in the air-conditioned Health Lodge and drinking cool water, the camper will return to activities.

EMERGENCY PROCEDURES

Emergency procedures are in place at Camp Buck Toms to ensure everyone stays safe and healthy. Please review, the procedures presented below with your Scout prior to arriving at camp.

SEVERE WEATHER

At the mandatory pre-camp meeting you will be given a number to text to sign up for the Camp Buck Toms text service. The camp director will monitor the forecast and radar on a regular basis throughout the duration of camp. In the event of severe weather, we have procedures in place to ensure the safety of campers. We will immediately send out a text (if you subscribe to the Camp Buck Toms text service) letting all parents know what is going on and when the danger has passed. Social media (e.g., Twitter, Facebook) may also be employed.

If severe weather occurs, the Camp Director will sound the camp alarm and call Code Yellow over the radio. All Campsite Guides will have radios as will all program stations. Campers should take the following steps as directed by their Campsite Guide:

1. Groups at indoor activities will remain in place.
2. Groups at outdoor activities will move in an orderly fashion to the nearest shelter.
3. In case of tornado, those at or near a campsite should proceed to the bath-house; Adirondacks are not tornado safe shelters. Those within buildings should move to an interior area (if not already there). Those in open areas or open shelters should crouch in a ditch or low to the ground and cover their heads.
4. Await further instructions (e.g., all clear alert over the radio) from the Camp Director before proceeding to the next camp activities.

FIRE

If a fire occurs in one of the buildings, notify a staff member immediately, and take the following steps:

1. Everyone move in an orderly manner out of the affected building and into the nearest open area.
2. Follow all instructions. Ensure that everyone stays put and out of the way of firefighters.

MEDICAL EMERGENCIES

Camp Buck Toms has a certified Health Officer located in the Health Lodge who is typically a doctor, registered nurse, or EMT.

1. All emergency will be reported to a staff member immediately.
2. All campers will be cleared away from the injured/ill person and continue camp activities.
3. The injured/ill person will not be moved, the injured/ill person will be made as comfortable as possible while waiting for the Health Officer and/or Camp Director.
4. First aid will be administered if needed.
5. The Health Officer or Camp Director will inform the camper's parents (if a youth) of the accident or illness.
6. If the Health Officer or Camp Director determines that emergency personnel or equipment is required, provide a clear path to the injured/ill person for emergency personnel.

WHAT TO BRING TO CAMP

Please make sure that all luggage and gear are marked with name and Pack number. The best method is duct tape and permanent marker. We encourage all participants to bring their luggage and gear in either a foot locker or backpack for ease and portability.

CLOTHING ITEMS

- Scout Uniform (minimum of shirt and neckerchief/slide)
- 4 pairs of underwear
- 4 T-shirts or other shirts
- 1 long-sleeved shirt
- 1 or 2 pairs of swim trunks
- 2 or 3 pairs of shorts (preferably fast-drying)
- 5 pairs of socks
- Lightweight shoes (fully enclosed)
- Shower shoes
- Lake shoes (or water sandals)
- Poncho or raincoat
- Hat for sun and rain

FOR SLEEPING ON BUNKS

- Camping pad or bunk cushion
- 2 blankets or sleeping bag
- Pillow
- Pillow case
- Mosquito netting (optional)

HEALTH, SAFETY, AND COMFORT

- Adirondack bunks are TWIN SIZE
- Water bottle or canteen
- Insect repellent
- Medication if needed
- 1 or 2 towels
- 1 or 2 washcloths
- Soap

- Toothbrush & toothpaste
- Small first aid kit
- Chafing powder or salve
- Foot powder
- Sunscreen
- Sunglasses
- Flashlight
- Battery-operated fan
- 2 or 3 sets of new batteries
- Dirty clothes bag

OTHER STUFF YOU MIGHT WANT

- Camera
- Watch (not expensive)
- Spending money for Trading Post in labeled Ziploc bag
- 8 x 10 foot tarp for the front of your Adirondack
- Paracord or other utility cord

WEBELOS II/ARROW OF LIGHT SPECIFIC

- Tent (One to Two Person)
- Ground cloth for tent
- Mess kit (plate, cup, bowl, spork or utensils)
- Backpack or sturdy daypack
- 1-quart or liter (minimum) canteen or water bottle
- Compass (clear base)
- Pencils or pens
- Notebook or writing paper
