

ScoutFest Emergency Unit Contact Form

Turn this form in at the registration tent when you check in your unit. Bring all of your participants' completed BSA health forms - Parts A and B. We will verify that your unit has the health forms and collect this form only. It will let us know who has your unit's health forms in the event of an emergency.

We only need one form per Pack/Troop/Crew/Ship - not one per family or Scout.

Please note the two contacts below must be in possession or have access to BSA Medical Forms parts A & B while at ScoutFest for your unit.
