

Scouting COVID-19 Pledge: Commit to Your Community, “A Scout is Helpful”

I will commit to wearing a mask and social distancing where it is required by the CDC, local & state government, my unit, Great Smoky Mountain Council, and the Boy Scouts of America.

I will commit to checking my temperature and assessing my own symptoms prior to participating in Scouting activities.

I will disclose any possible COVID-19 symptoms or possible exposure to someone with known or suspected COVID-19 to my parents and Scout leaders so I that refrain from activity and prevent any possible spread of infection.

I will encourage other Scouts in my unit to practice these same healthy behaviors.

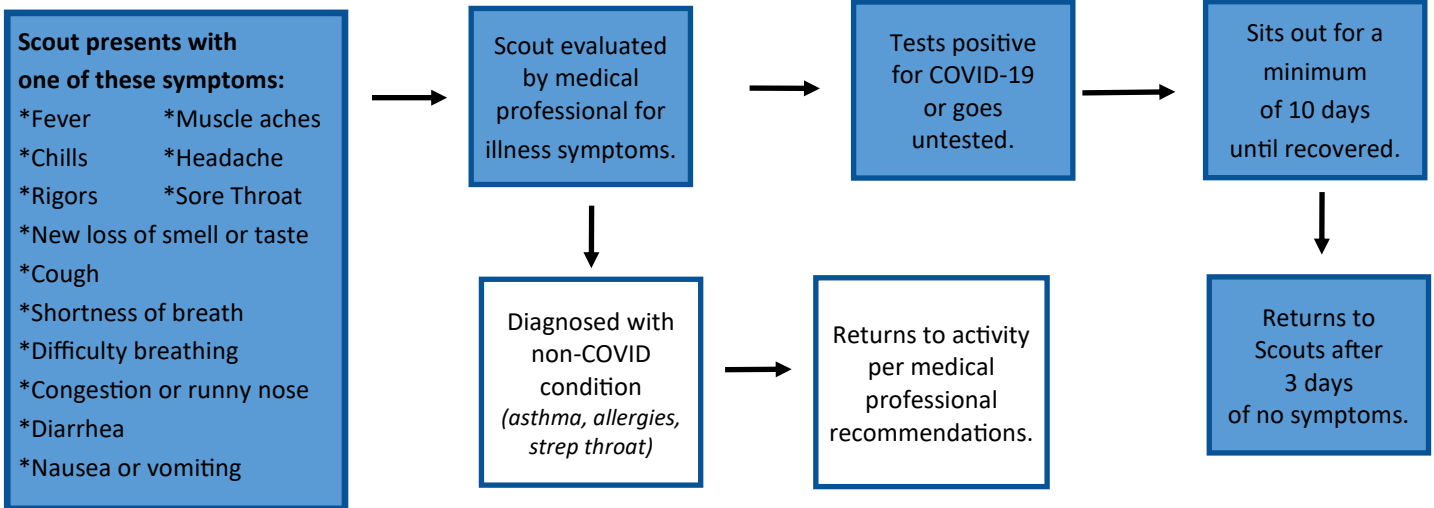

I will not share water bottles or other person items.

I will regularly wash my hands and use hand sanitizer before, during and after meeting/activities.

I will avoid touching my face and, if I must, use hand sanitizer afterwards.

I will wipe down all tables/gear I use with a disinfectant wipe at the end of every meeting or activity.
