“Olympic Hike”

Your journey begins at the Ijams Center Visitor Center where you will be greeted by one or more true Olympians - participants in past Olympic Games! Hear about their experience at the world’s biggest sporting event, learn from them about the importance of persistence and teamwork, and get the chance to hike the Ijams Trail with them! The hike itself will only be about 1.5 miles, but families are invited to stay afterwards and enjoy the beauty of Ijams.

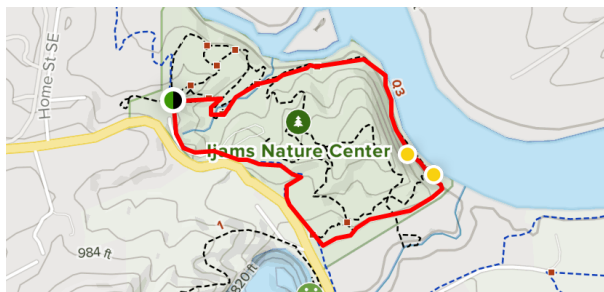

After the hike, enjoy a tasty treat to cool off.
