2022 PROGRAM

Scouts can attend CBT for as little as \$280 in-Council and \$310 out-of-Council per week. We take pride in being an affordable summer camp option in the region while offering a tremendous level of program for Scouts of all ages.

DAN BEARD PROGRAM

Our first-year Scout program is for Scouts who are new to camp. Scouts can work towards Tenderfoot, Second Class, and First Class requirements. The Dan Beard Program has two options. Scouts can participate in the full day Dan Beard Program with a patrol or choose specific ranks to work towards during the day. This gives Scouts the flexibility to focus on all three ranks during the week or choose to work towards rank while still taking merit badge classes at camp.

OVER 50 DYNAMIC MERIT BADGES

Over 50 dynamic merit badges are offered for Scouts to choose from. These highly sought-after merit badges include welding, robotics, cycling, motor boating, archery, rifle shooting, shotgun shooting, and many more. In addition to merit badges Scouts can participate in programs such as BSA Lifeguard, Paul Bunyan Woodsman, COPE, and Mile Swim to name a few.

MOUNTAIN MAN

Mountain Man is for Scouts that already achieved rank, earned numerous merit badges, or just want to experience the best that East Tennessee has to offer. Mountain Man is a five-day high adventure expedition including backpacking, whitewater rafting, rock climbing, and rappelling. Mountain Man is open to leaders as well.

CAMPSITES & FACILITIES

Scouts and leaders can truly enjoy a week of summer camp at Camp Buck Toms. Each of our 16 campsites have Adirondack shelters, a program shelter with lights and electricity, and a bathhouse with modern restroom and shower facilities. We're also excited to welcome our brand-new Dining Hall for summer camp 2022!
