

# Navigate the Adventure

**GSMC Spring Family Camp**  
Camp Buck Toms  
April 10-12, 2026  
April 17-19, 2026

“Navigate the Adventure” invites Cub Scouts and their families to explore various parts of Scouting. Every activity represents a different “point on the compass,” symbolizing a key value: Adventure (North), Friendship (East), Skill (South), and Service (West).

**35.7784° N, -84.6786° W**

Spring Family Camps are an excellent opportunity for our Cub Scouts to develop. They will test their Scouting skills, work on exciting STEM experiments, play exciting games, make crafts, do skits, sing songs, hang out with friends, and build lasting memories with their families! The FUN and ADVENTURE of Spring Family Camps create memories that will last a lifetime!
